# Strategic Licensing Assessment & Cost Optimization

North American Bank | Tier 1 Software Publisher | Contract Assessment

**A leading bank achieved $1.3M in Software Licensing savings in just 4 weeks**

## Customer Challenge

- A leading bank faced rising Software Licensing costs and needed to optimize Technology Spend within a limited timeframe.

## Our Solution

- We conducted a licensing assessment, reviewed software deployment against entitlements, and identified areas for cost savings without affecting user experience or operational productivity.

**16.3%**
Cost Optimized

**$1.3M**
Savings
